

Field: **CINEMATOGRAPHY AND MEDIA**

Study Program: **VISUAL EFFECTS (MA, in English)**

Full-time study: **2 years (4 semesters, 120 credits)**

Academic year: **2026/2027**

MARKING SCHEME

SINGLE STAGE (the tests are graded on a scale from 1 to 10)

SECTION 1 (oral)

Three mathematics problems, each graded by 3 points.

Marking scheme for each problem:

- **0,5 points** for the hypothesis and conclusion
- **2,5 points** for solving the problem/demonstration (application of theorems and logical justification).

1 point is ex officio for the whole section.

SECTION 2 (oral - colloquium)

Marking scheme:

- **2 points** for the linear-geometric composition of the works in the candidate's portfolio
- **2 points** for the adequate use of the plasticity of light
- **2 points** for the complexity of the works in the candidate's portfolio
- **2 points** for the correct arguments regarding the candidate's portfolio, in dialogue with the committee
- **1 point** for the adequate use of the English language and adaptation to the time interval given by the committee

1 point is ex officio for the whole section.
